**Final - Stage 1** - All qualifying finalists will compete in a 28 single elimination format with the first four seeded qualifiers in each division getting a bye through to Round 2. Each match will be the best of 5 games. Seeding for matches in the Finals will be based on the qualifying position of the contestants and the State/Territory/Zone Champions as seeded by the Tournament Committee. In the case of ties for qualifying positions, the highest game played in the qualifying series will determine precedence.

One (1) player from each division will be assigned to each lane in the first round of play. If a player fails to check-in for the Finals, the highest available non-qualifier will be invited to replace the absent player.

After the first match, no further replacements will be permitted. Non-appearance will result in forfeiture of the match with the player present bowling without opposition, and advancing to the next round.

All players will be given practice on the pair of lanes assigned for their single elimination match.

**Ties** - In the event of any ties in a match, total pinfall over the 5 games in a match will determine the winner of that match. Any subsequent tie will require a 10th frame playoff until the tie is broken.
